CLASS ACTION COMPLAINT

Plaintiffs, Virginia H. Dunkel and Maria Dusembery for the benefit of Dr. Ludimilla
Petrauskas, individually and on behalf of all others similarly situated, bring this action against
the Defendants, I.F.D.A. Services Inc., and the Illinois Funeral Directors Association, and allege
the following:

NATURE OF THE CASE

1. There is a large market for the purchase of preneed goods and services which include
funeral and burial services. The sale of funeral and burial services on a preneed basis is
governed by the Illinois Funeral or Burial Funds Act, 225 ILCS 45/1 *et seq.* Under this statute,
when a consumer pays for the preneed contract and chooses to have the contract funded by a
trust arrangement the consumer's funds are to be held in trust, by a duly authorized trustee, until
the consumer withdraws the funds or the funds are used for the funeral and burial services.

2. Close to 50,000 consumers have purchased preneed funeral and burial services through the Illinois Funeral Directors Association and its members only to have their funds managed by a “trustee”, Defendant I.F.D.A. Services, Inc., who was without authority to act as a trustee under state law. In addition while serving as “trustee” I.F.D.A. Services, Inc, has severely impaired the liquidity of the trust by mismanaging the funds held in trust for the benefit of Illinois consumers.

3. In early 2006 the Illinois Office of the Comptroller began an investigation I.F.D.A. Services Inc. and the IFDA Pre-Need Trust to protect Illinois consumers who purchased pre-need goods and services and to prevent the potential collapse of the funeral services industry. This investigation was joined by the Department of Financial and Professional Regulation, Banking Division, and recently resulted in I.F.D.A Services Inc. voluntarily relinquishing control as Trustee over the IFDA Pre-Need Trust which held the funds in trust for the benefit of the Illinois consumers who purchased the preneed funeral or burial services.

4. This Class Action asserts claims for violations of the Illinois Consumer Fraud and Deceptive Business Practices Act, the Illinois Funeral or Burial Funds Act, Breach of Contract and Breach of Fiduciary duties.

5. Plaintiffs brings this action on behalf of themselves and a Class or similarly situated consumers who contracted with the Illinois Funeral Directors Association and/or I.F.D.A. Services Inc. for preneed funeral and burial services and their funds were held in trust with I.F.D.A. Services Inc. acting as trustee of the IFDA Pre-Need Trust.

6. Plaintiffs, for themselves and for the Class, seeks compensatory damages for the injuries caused by Defendants unlawful conduct, and such additional monetary relief as is allowed under the common law of Illinois and the Illinois Consumer Fraud and Deceptive

Business Practices Act including, punitive damages, reasonable attorney fees, court costs, and any other relief which the court deems proper.

JURISDICTION AND VENUE

7. This Court has personal jurisdiction over Defendants Illinois Funeral Directors Association, and its wholly owned subsidiary I.F.D.A. Services Inc. as these Defendants are Illinois corporations with their principal place of business in Illinois.

8. Venue is proper in Kane County because a substantial part of the events giving rise to Plaintiffs's claims occurred in this County. Defendants, individually or through their agents have transacted business and their affairs in this County and have committed the acts complained of in this County.

9. All members of the Class are residents of Illinois.

10. All claims, on behalf of the Class Plaintiffs and the Class, are brought exclusively under Illinois law.

Services, Inc. is a wholly owned subsidiary of Defendant Illinois Funeral Director’s Association and served as “trustee” of the I.F.D.A. Pre Needs Trust.

GENERAL ALLEGATIONS

13. The Illinois Funeral Directors Association was founded in 1881 and incorporated in 1934. It established I.F.D.A. Services, Inc. in the 1970’s which instituted a program known as the IFDA Pre-Needs Trust. The stated purpose of the program is to provide funeral homes and their clients with a safe, secure program for the administration of preneed burial trust funds which are placed with a qualified fiduciary.

14. It is estimated there are 650 funeral homes that are members of the Illinois Funeral Directors Association.

15. I.F.D.A. Services Inc. has held itself out to the public through its own actions and those of its agents as an entity available to act as a fiduciary in Illinois.

16. I.F.D.A. Services Inc. has accepted or undertaken to perform the duties of a fiduciary as a significant part of its regular business by serving as trustee pursuant to preneed funeral trust agreements with Illinois consumers as beneficiaries.

17. All preneed funeral and burial services agreements sold in the State of Illinois are governed by the Illinois Funeral or Burial Funds Act, 225 ILCS 45/1 *et seq.*

18. 225 ILCS 45/1 provides:

Sec. 1. Payment under pre-need contract. Except as otherwise provided in this Section, *all sales proceeds paid to any person, partnership, association or corporation with respect to merchandise or services covered by this Act, upon any agreement or contract, or any series or combination of agreements or contracts, which has for a purpose the furnishing or performance of funeral services, or the furnishing or delivery of any personal property, merchandise, or services of any nature in connection with the final disposition of a dead human body, including, but not limited to, outer burial containers, urns, combination casket-vault units, caskets and clothing, for future use at a time determinable by the death of the person or persons whose body or bodies are to be so disposed of, shall be held to be trust funds, and shall be placed in trust in accordance with Sections 1b and 2, or shall be used to purchase life insurance or annuities in accordance with Section 2a. The person, partnership, association or corporation receiving said payments under a pre-need contract is hereby declared to be a trustee thereof until deposits of funds are made in accordance with Section 1b or 2a of this Act. Persons holding less than \$500,000 in trust funds may continue to act as the trustee after the funds are deposited in accordance with subsection (d) of Section 1b.(emphasis added)*

23. Pursuant to 225 ILCS 45/1a-1(6) at the time the consumer enters into the pre-need contract for the funeral or burial services the method of funding the agreement must be disclosed. This disclosure includes whether the pre-need contract is to be funded by a trust, life insurance, or an annuity and the nature of the relationship among the person funding the pre-need contract, the provider, and the seller.

24. Pursuant to 225 ILCS 45/2:

(a) If a purchaser selects a trust arrangement to fund the pre-need contract, all trust deposits as determined by Section 1b shall be made within 30 days of receipt.

(b) A trust established under this Act must be maintained:

(1) in a trust account established in a bank, savings and loan association, savings bank, or credit union authorized to do business in Illinois in which accounts are insured by an agency of the federal government; or

(2) In a trust company authorized to do business in Illinois.

25. The funds deposited by the consumer and held in trust may be withdrawn and the preneeds contract may be revoked by the consumer prior to the death of person whose funeral or burial was prepaid. 225 ILCS 45/4 provides in pertinent part:

Sec. 4. Withdrawal of funds; revocability of contract.

(a) The amount or amounts so deposited into trust, with interest thereon, if any, shall not be withdrawn until the death of the person or persons for whose funeral or burial such funds were paid, unless sooner withdrawn and repaid to the person who originally paid the money under or in connection with the pre-need contract or to his or her legal representative.....

(b) If for any reason a seller or provider who has engaged in pre-need sales has refused, cannot, or does not comply with the terms of the pre-need contract within a reasonable time after he or she is required to do so, the purchaser or his or her heirs or assigns or duly authorized representative shall have the right to a refund of an amount equal to the sales price paid for undelivered merchandise or services plus otherwise earned undistributed interest amounts held in trust attributable to the contract, within 30 days of the filing of a sworn affidavit with the trustee setting forth the existence of the contract and the fact of breach.....

(c) After final payment on a pre-need contract, any purchaser may, upon written demand to a seller, demand that the pre-need contract with the seller be terminated. The seller shall, within 30 days, initiate a refund to the purchaser of the entire amount held in trust attributable to undelivered merchandise and unperformed services, including otherwise earned undistributed interest earned thereon or the cash surrender value of a life insurance policy or tax-deferred annuity.

Accordingly, upon withdrawal or revocation the consumer is entitled to a return of all funds deposited into trust and any undistributed interest earned thereon minus any deductions authorized by 225 ILCS 45/4(a)(c-5), not to exceed \$300.

26. Under the Corporate Fiduciary Act, 205 ILCS 620/1-1, *et seq.* a corporation must obtain a certificate of authority to conduct a trust business and it is unlawful to conduct a trust business in Illinois without first having obtained a certificate of authority. 205 ILCS 620/2-4.

27. In addition to the fiduciary duties imposed on a Trustee under the common law, under the Illinois Funeral or Burial Funds Act:

(a) A trustee shall, with respect to the investment of trust funds, exercise the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital. (225 ILCS 45/4a)

28. 225 ILCS 45/4a(d) further imposes restrictions on use of the investment of Trust Funds and provides:

Trust funds shall not be invested by the trustee in life insurance policies or tax-deferred annuities unless the following requirements are met:

(1) The company issuing the life insurance policies or tax-deferred annuities is licensed by the Illinois Department of Insurance and the insurance producer or annuity seller is licensed to do business in the State of Illinois;

(2) Prior to the investment, the purchaser approves, in writing, the investment in life insurance policies or tax-deferred annuities;

(3) Prior to the investment, the purchaser is notified by the seller in writing about the disclosures required for all pre-need contracts under Section 1a-1 of this Act, and the purchase of life insurance or a tax-deferred annuity is subject to the requirements of Section 2a of this Act;

(4) Prior to the investment, the trustee informs the Comptroller that trust funds shall be removed from the trust account to purchase life insurance or a tax-deferred annuity upon the written consent of the purchaser;

(5) The purchaser retains the right to refund provided for in this Act, unless the pre-need contract is sold on an irrevocable basis as provided in Section 4 of this Act; and

(6) (6) Notice must be given in writing that the cash surrender value of a life insurance policy may be less than the amount provided for by the refund provisions of the trust account

29. Pursuant to 760 ILCS 5/11:

(a) Every trustee at least annually shall furnish to the beneficiaries then entitled to receive or receiving the income from the trust estate, or if none, then those beneficiaries eligible

to have the benefit of the income from the trust estate a current account showing the receipts, disbursements and inventory of the trust estate.

30. I.F.D.A. Service Inc., at all times material hereto, has failed to annually account to beneficiaries of the IFDA Pre-Needs Trust and this failure to account allowed the inappropriate activity alleged herein to go undetected.

29. I.F.D.A. Services Inc., at all times material hereto, has never obtained a certificate of authority to act as trust business.

30. I.F.D.A. Services Inc. submitted an application to form an Illinois Trust Company to the Department of Financial and Professional Regulation, Division of Banking, and said application was denied on May 13, 2008. I.F.D.A. Services Inc. was denied because pursuant to 205 ILCS 620/2-6 the Director of the Department of Financial and Professional Regulation could not find based on the application:

(a) that the proposed capital at least meets the minimum amounts as determined pursuant to this Act including amounts deemed necessary to support the scope of the proposed operations;

(b) that the general character and experience of the proposed management is such as to assure reasonable promise of successful, safe and sound operation; and

(c) that the prior business affairs of the persons who will control the corporate fiduciary or the proposed management personnel, whether as a stockholder, director, officer, or customer, were conducted in a safe, sound manner, and lawful manner.

See Order to Cease and Desist, attached hereto and incorporate herein as Exhibit A.

31. On July 7, 2008 Department of Financial and Professional Regulation, Division of Banking, issued an Order to Cease and Desist to I.F.D.A. Services Inc. finding: 1) I.F.D.A. Services Inc. did not have a certificate of authority to conduct a trust business; 2) a deficit may exist in the balance of the trust assets in their custody; 3) there existed a likelihood of substantial harm to the citizens of Illinois in relation to the disposition of the trust assets/funds. See Exhibit B which is attached hereto and incorporated herein.

32. Upon information and belief, a significant deficit does exist in the I.F.D.A. PreNeed Trust as a result of I.F.D.A. Services Inc., paying an inflated rate of return to members of the Illinois Funeral Director's Association on the funds held in trust which was not based on actual market performance. In addition, I.F.D.A. Services Inc. inappropriately invested the funds held in trust in Corporate Owned Life Insurance Policies and otherwise mismanaged the funds held in trust for the benefit of the Plaintiffs and Class Members.

33. At all times material hereto, I.F.D.A. Services Inc. failed to exercise the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital when it paid members of the Illinois Funeral Directors Association an inflated rate of return on the consumers' funds placed in trust which was not based on market performance and by further investing a portion of the trust assets in corporate owned life insurance policies.

CLASS ACTION ALLEGATIONS

34. Pursuant to 735 ILCS 5/12-801, Plaintiffs bring this action on behalf of themselves and the members of the following proposed Class:

All Illinois Purchasers who contracted with Illinois Funeral Directors Association and/or IFDA Services, Inc. for trust funded preneed funeral or burial services whose Purchaser's account was open on or after October 1, 2008.

Excluded from the Class are: (i) Defendants, any entity in which Defendant has a controlling interest, and Defendant's legal representatives, predecessors, successors and assigns; (ii) governmental entities; (iii) Defendant's employees, officers, directors, agents and

representatives and their family members; and (iv) the Judge and staff to whom this case is assigned, and any member of the Judge's immediate family.

35. Members of the proposed Class are so numerous that the individual joinder of all absent Class members is impracticable. While the exact number of Class Members is unknown to Plaintiff at this time, it is believed to be close to 50,000 and is easily ascertainable by appropriate discovery because Defendants are in possession of detailed records identifying each and every person that entered into a contract with Illinois Funeral Directors Association and/or IFDA Services, Inc. for trust funded preneed funeral or burial services whose Purchaser's account was open on or after October 1, 2008.

35. There are questions of law or fact common to the members of the Class and such common questions predominate over questions affecting individual members. Among the questions of law or fact common to the applicable proposed Class are:

- a) Whether I.F.D.A Services, Inc. was authorized to act as a trustee.
- b) Whether the trust funds were properly invested under 225 ILCS 45/4a
- c) Whether the trust funds were invested in insurance policies in violation of 225 ILCS 45/4a(d)
- d) Whether the Defendants owed fiduciary duties to the consumers
- e) Whether the Defendants breached its fiduciary duties to the consumers
- f) Whether the Defendants violated the Illinois Consumer Fraud and Deceptive Business Practices Act
- g) The duration and scope of the Defendants illegal and wrongful acts.
- h) Whether Defendants concealed from Plaintiffs any of its violations as a fiduciary thereby delaying the accrual of any cause of action and tolling of any otherwise applicable statutes of limitations.

37. Plaintiffs claims are typical of the claims of the Class. Plaintiffs and members of the proposed Class all contracted with Defendant Illinois Funeral and Director's Association and/or I.F.D.A. Services Inc. and have had their funds held in trust and mismanaged by Defendant I.F.D.A. Services Inc. Plaintiffs and the members of the proposed Class have all suffered damages as a result of Defendant's common conduct with respect to each Class Member as set forth in this Complaint.

38. Plaintiffs will fairly and adequately protect the interests of the proposed Class. Plaintiffs have no interest adverse to the interests of the members of the proposed Class. Plaintiffs have retained competent counsel who has extensive experience in prosecuting complex Class action litigation and consumer fraud.

40. The questions of law or fact common to members of the proposed Class predominate over any individual questions affecting only individual Class members. Each of the members of the proposed Class purchased a preneed funeral service contract and had its funds placed into trust wherein violations of the Illinois Funeral or Burial Funds Act, the Illinois Consumer Fraud Act, and breach of contract and fiduciary duties have occurred. The issues of fact and law applicable to the Class are identical to the issues of fact and law applicable to each individual member of the proposed Class.

41. A Class action is an appropriate method for the fair and efficient adjudication of this controversy, and Class action treatment is superior to the alternatives. There is no special interest in the members of the Class individually controlling the prosecution of separate actions. The damages sustained by individual Class members will not be large enough to justify individual actions, especially in proportion to the tremendous costs and expense necessary to prosecute this action. The expense and the burden of individual litigation make it impossible for

members of the Class individually to address the wrongs done to them. Class treatment will permit the adjudication of claims of Class members who could not afford individually to litigate their claims against Defendants. Class treatment will permit a large number of similarly situated persons to prosecute their common claims in a single forum simultaneously, efficiently and without the duplication of effort and expense that numerous individual actions would entail.

42. No difficulties are likely to be encountered in the management of this Class action that would preclude its maintenance as Class action, and no superior alternative exists for the fair and efficient adjudication of this controversy. Furthermore, Defendants transacts substantial business in Illinois and are located in Illinois. Defendant will not be prejudiced or inconvenienced by the maintenance of this Class action in this forum.

COUNT III

64. Lead Plaintiffs hereby incorporates by reference all preceding paragraphs as if fully set forth herein

65. This Count is brought by Lead Plaintiffs individually, and in her representative capacity on behalf of the Class, against Defendants I.F.D.A. Services Inc.

66. In the course of acting as a Trustee under the contracts entered into by the Plaintiffs and the Class Members, I.F.D.A. Services Inc. accepted and held the funds paid by Plaintiffs and the Class Members and acted as a fiduciary.

ORDER TO CEASE AND DESIST

The Director of the Department of Financial and Professional Regulation, Division of Banking (the "Director") hereby issues to I.F.D.A. Services, Inc. ("IFDA"), 215 South Grand Avenue West, Springfield, Illinois this ORDER TO CEASE AND DESIST ("Order"). This Order is authorized and issued pursuant to the provisions of Section 5-1(b) of the Corporate Fiduciary Act [205 ILCS 620/5-1(b)] (the "Act").

FINDINGS OF FACT

The Director makes the following Findings of Fact:

1. IFDA is an Illinois corporation with a place of business at 215 South Grand Avenue West, Springfield, Illinois.
2. IFDA holds itself out to the public through its own actions and those of its agents as an entity available to act as a fiduciary in Illinois.
3. IFDA accepts or undertakes to perform the duties of a fiduciary as a significant part of its regular business by serving as trustee pursuant to pre-need funeral trust agreements with Illinois consumers as beneficiaries.

4. IFDA does not have a certificate of authority to conduct a trust business under the Act.
5. Section 2-4 of the Act [205 ILCS 620/2-4] provides that it is unlawful to conduct a trust business in Illinois without first having obtained a certificate of authority.
6. Currently, a deficit may exist in the balance of the trust assets in the custody of the IFDA.
7. On May 13, 2008 the Director ordered the IFDA to cease and desist from conducting a "trust business."
8. The IFDA is currently transitioning its trust business to an authorized trustee.
9. As the IFDA, including all trust assets and income, transitions its trust business to an authorized trustee, and as IFDA financial matters are evaluated, any disbursement, expenditure, payout, dividend, liquidation, loan, refund or other disposition of IFDA assets or income, other than those for administrative expenses or claims, may imperil obligations owed by the IFDA to approximately 49,000 people in the State of Illinois.
10. The current financial condition of IFDA cannot be determined until such time as an actuarial study of IFDA can be performed.
11. Except as necessary for administrative and operational expenses and for the payment of individual burial claims, dispositions, payouts or withdrawals from IFDA cannot occur.
12. There is a likelihood that substantial harm to the citizens of Illinois will result if assets or funds are paid out prior to the determination of whether IFDA's financial condition is adequate to permit it to fulfill its fiduciary obligations.

CONCLUSIONS OF LAW

Based on the above Findings of Fact, the Director makes the following CONCLUSION:

IFDA has violated Section 2-4 of the Act.

NOW THEREFORE IT IS HEREBY ORDERED:

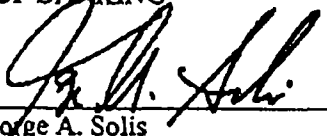

1. Except as necessary for the IFDA's administrative operations and for the payment of individual burial claims, the IFDA shall cease and desist from any action to disburse, expend, payout, dividend, liquidate, loan, refund or in any other way alienate funds currently in its possession until further order of the Director.
